

Last month, I _____ (prepare) a detailed financial report for a client. You _____ (review) the balance sheet to ensure accuracy before submission. He _____ (calculate) the
5 quarterly tax liabilities with precision. She _____ (reconcile) the bank statements, and it _____ (take) three hours to complete. We _____ (analyze) the cash flow projections, and they _____ (submit) the invoices to the client on time. Later, I _____ (identify) a discrepancy in the ledger, and you _____
10 (correct) it after a thorough audit. He _____ (generate) a profit and loss statement, and she _____ (file) the tax returns electronically. It _____ (require) advanced software, and we all _____ (collaborate) to meet the deadline. They _____ (pay) the invoice promptly, but I _____ (delay) the final report
15 due to additional requests.

The following week, I _____ (contact) the client to discuss the audit findings. You _____ (provide) valuable feedback on the expense reports, and he _____ (update) the depreciation schedule. She _____ (verify) the payroll data,
20 and it _____ (seem) accurate at first glance. We _____ (discuss) the budget adjustments, and they _____ (approve)

the revised plan. Later, I _____ (present) a summary to the client, and you _____ (suggest) improvements for next time. He _____ (monitor) the cash flow, and she _____ (record) all transactions in the system. It _____ (prove) to be a challenging project, and we _____ (learn) new techniques. They _____ (request) more services, but I _____ (complete) the work ahead of schedule.

Now, I _____ (manage) multiple freelance accounting projects each month. You _____ (check) the financial statements for errors regularly. He _____ (use) specialized software to process tax returns. She _____ (maintain) accurate records of all transactions, and it _____ (require) attention to detail. We _____ (collaborate) with clients to meet their needs, and they _____ (provide) timely payments. I _____ (enjoy) the flexibility of freelance work, and you _____ (offer) expertise in budgeting. He _____ (analyze) data to improve efficiency, and she _____ (prepare) monthly reports. It _____ (involve) constant learning, and we _____ (adapt) to new regulations. They _____ (value) my services, but I _____ (balance) work with personal time.

Currently, I _____ (handle) a client's year-end closing process. You _____ (assist) with reconciling accounts, and he _____ (calculate) depreciation monthly. She _____

45 (ensure) compliance with tax laws, and it _____ (demand)
precision. We _____ (review) financial data together, and they
_____ (request) detailed forecasts. I _____ (communicate)
with clients via Google Meet, and you _____ (track) expenses
diligently. He _____ (generate) invoices, and she _____
50 (file) documents electronically. It _____ (support) my career
growth, and we _____ (build) strong client relationships.
They _____ (rely) on my expertise, but I _____ (prioritize)
accuracy above all.

Next month, I _____ (complete) another financial
55 audit for a new client. You _____ (assist) with preparing the
tax filings, and he _____ (review) the asset depreciation. She
_____ (implement) a new accounting system, and it _____
(improve) our efficiency. We _____ (expand) our services to
include consulting, and they _____ (hire) me for more
60 projects. I _____ (deliver) a detailed report, and you _____
(suggest) cost-saving strategies. He _____ (train) on
advanced software, and she _____ (monitor) cash flow trends.
It _____ (require) teamwork, and we _____ (achieve) our
goals. They _____ (increase) my workload, but I _____
65 (maintain) high standards.

In six months, I _____ (present) a year-long
financial plan to a major client. You _____ (evaluate) their

budget needs, and he _____ (forecast) revenue growth. She
_____ (update) the ledger regularly, and it _____ (ensure)
70 accuracy. We _____ (collaborate) with a team of accountants,
and they _____ (approve) our proposals. I _____ (negotiate)
better rates, and you _____ (implement) new processes. He
_____ (analyze) market trends, and she _____ (file) annual
reports. It _____ (strengthen) my reputation, and we _____
75 (grow) our business. They _____ (recommend) me to others,
but I _____ (focus) on quality work.
