OR Tambo International Airport, Johannesburg

Mauro (Traveler from Brazil): *[Approaching the information desk]* Hi, can you help me? I just arrived
10 from Brazil and need to find the best way to get to my hotel.

Information Desk Attendant: Hello! Welcome to Johannesburg. Certainly, I can help with that. Which hotel are you staying at?

15 **Mauro:** It's the Radisson Blu Hotel in Sandton, the financial district and suburb located in the city of Johannesburg.

Information Desk Attendant: Great choice! For transportation, you have options like taxis, airport
20 shuttles, or ride-sharing apps such as Bolt or Uber.

Mauro: Could you tell me about the price range for these options?

Information Desk Attendant: Sure! A taxi could cost around 600 to 800 South African Rand (ZAR),
25 whereas an Uber might range from 350 to 500 ZAR, depending on traffic. The shuttle services are usually priced per person, typically around 200 ZAR.

Mauro: That's helpful, thank you. How about the schedule? Are taxis and Uber available any time?

30 **Information Desk Attendant:** Yes, both taxis and Uber are available 24/7. The airport shuttle services, however, often run on a fixed schedule, so it's best to check the specific timing at the shuttle counter just over there.

35 **Mauro:** And how long does the trip usually take?

Information Desk Attendant: The drive to Sandton should take around 30 to 45 minutes, but it can vary depending on the traffic, especially during rush hour.

40 **Mauro:** I see. What more can you tell me about the shuttle services?

Information Desk Attendant: The shuttle services operate at regular intervals and are a good option if you don't mind sharing a ride with other travelers.

45 They run on a fixed schedule, with trips every hour or so, depending on how busy the day is. The shuttle will drop you off at major hotels and central locations in the city.

Mauro: Are there any specific advantages or
50 disadvantages to taking the shuttle?

Information Desk Attendant: The shuttles are a cost-effective choice, especially if you're traveling alone and not in a hurry. However, travel time might be slightly longer compared to a taxi or Uber since
55 shuttles might stop at multiple hotels along the way to drop off other passengers.

Mauro: That makes sense. Where would I catch the shuttle?

Information Desk Attendant: You can book and
60 board the shuttle right outside this terminal. Look for the shuttle services counter in the 'Public

Transport' area, and they'll provide you with the exact timing and ticketing details.

65 **Mauro:** Great, that sounds like a decent option. I think I'll decide between the Uber and the shuttle. Thanks for all the help!

Information Desk Attendant: You're welcome! Have a wonderful stay in Johannesburg.

Mauro tries the key card several times, but the door won't open.

Mauro: *[Frowning slightly]* Hmm, that's odd. The key isn't working.

Lara: Maybe try it one more time, just to be sure.

Mauro tries again, but the door remains locked.

Mauro: No luck. Let's head back to the front desk and see if they can help us out.

They return to the reception desk.

175 **Mauro:** *[Approaching the receptionist]* Hi, sorry to bother you. We just tried to access our room, but the key card isn't working.

Hotel Receptionist: I'm sorry about that! Let me check the details for you. Could you please confirm
180 your room number?

Mauro: It's room 405.

Hotel Receptionist: *[Checking the system]* Thank you. Sometimes the electronic keys occasionally need reactivating. Let me reprogram it for you.

185 **Lara:** Thanks, we appreciate that.

Mauro: Thank you very much. We'll give it another try.

190 *Mauro and Lara return to their room and try the card again, which now works smoothly, allowing them into the room.*
